

Law Enforcement Testimonials

"CrimeWeb is a great tool for bringing the community and your department closer together." Our CrimeWeb representative has always provided fast, friendly customer service"

Andy Kancel
Assistant Chief of Police
North Richland Hills Police Department

"While we have used it for missing child alerts we use it daily to get out info on sex offenders. It's proved beneficial to us." Thanks

Commander Eldon Swenson
Waco, TX Police Dept.

"CrimeWeb has been a success in Waco and continues to develop as a primary method of sharing police related information with the Waco community. Police agencies do not and cannot work without public support and a foundation of that support is sharing information. I believe CrimeWeb has the potential of being the police/community information tool of the future"

Chief Brent Strohman
Waco, TX Police Department

"It is an incredible public safety ally," said Palmisano. "With a few clicks of a mouse, we can now email or call residents in a matter of seconds. The ability to expedite information delivery through multiple channels is extremely valuable to our community."

Major Pam Palmisano
Collin County Sheriff's Office

"Other police departments..... keep residents informed by compiling internal e-mail lists and appointing an officer to keep track of the e-mail database. The CrimeWeb Network cuts out the middleman."

Chief Ron Everett
New Braunfels Police

"I personally give CrimeWeb my highest endorsement as a service you need to have in place to better serve your community in today's fast moving and global world. CrimeWeb is progressive and has the integrity you want in an alert and advisory system."

Former FBI SAC
Danny Defenbaugh

"The fastest way to interact with the public is through the electronics and technology they use every day. In today's society, everyone has a home computer. This is one more tool that we can use to reach the public. You can't solve your case without them."

***Detective Byron Stewart
Arlington Police Department***

*"The more ways to get information out there, the quicker the information is going to be received..."
"This was one additional way. It will allow us to reach several households with the click of a mouse."
"CrimeWeb saves us time and money on envelopes...that's another bonus feature."*

***Lt. Bernat
Dover Police Department***

Citizen Testimonials

"I wanted to tell you how much I appreciate CrimeWeb! Thank you so much for the time; energy that goes into keeping us informed of these unbelievable crimes happening in our community. Helping us to be more aware in our daily lives. The info you provide has more detail than the news which helps immensely Thank You - God Bless."

Dee

"Please pass this message on to the Waco Police Department. Thank you for being a member of Crime Web and keeping local citizens informed about sexual offenders. I am certain this service prevents even more sexual assaults and child molestations."

Ruth

"I would like to thank you for this e-mail.... I have 5 children all under the age of 16. But with the rush of school supplies and clothes I did forget to mention school safety..... Tonight I will be going through all the links you sent regarding school safety with my children!!!!!!!!!!!!!!"

April

“This is a wonderful service. I feel safer knowing that I am being informed of the crime stats in my local area. This keeps me from being oblivious to possibilities and makes me take more caution in staying safe and keeping my neighborhood safe. I go out of my way these days to watch what is going on around me. Thank you for your service.”

Elaine

In my judgment CRIMEWEB.NET is visionary and will facilitate achieving key things; increased awareness among the police and general communities as to crime incidents, trends and problems, and help strengthen the police-citizen partnership that is essential to achieving and maintaining community safety and wellness
