FOR IMMEDIATE RELEASE

*A Service to Keep Citizens Informed*

**Woodway, Texas** – In April 2006, Woodway Department of Public Safety joined its neighboring city; Waco, as a member of the CrimeWeb Network. CrimeWeb.net is a convenient website for Woodway residents to log on at any time and be informed of crimes and criminals in the community.

Before 9/11, one of the biggest hurdles facing law enforcement was communication: not knowing what we all know, not sharing what we knew and determining what others need to know. Now agencies like Woodway can share information with the public. Citizens can subscribe to this free service by visiting <http://www.woodway-texas.com> and clicking on the CrimeWeb link.

CrimeWeb.Net is poised to service law enforcement and the public's need to disseminate vital information on a selected or universal basis. **For more information, contact CrimeWeb on-line at [www.crimeweb.net](http://www.crimeweb.net) or call 1-888-33CRIME.**
